

# Academic Year Business Minor

The **Academic Year Business Minor** is designed for full-time undergraduates enrolled in other Villanova colleges (*Note: Due to scheduling conflicts, Nursing students should consider the [Summer Business Institute](#) program instead of the Academic Year Business Minor program*). Students admitted to the program take classes with VSB students during the academic year. A minimum of four semesters are typically required to complete the minor.

Applications for the Academic Year Business Minor program are reviewed once per year after spring grades are posted. Acceptance is determined on a competitive basis. Students are required to attend an information session held by VSB before applying. Dates and times of information sessions are posted at the start of the fall and spring semesters on the program's website.

Applications are available online at [business.villanova.edu](http://business.villanova.edu). The application deadline is April 15 and students are notified of acceptance in late May. Any questions should be directed to The Clay Center at (610) 519-5532 or by email at [businessminor@villanova.edu](mailto:businessminor@villanova.edu).

All VSB-specific courses must be taken at Villanova. Microeconomics, Macroeconomics, and Statistics may be taken elsewhere (*the statistics course must be the equivalent of STAT 1235 or STAT 1430 or STAT 4310*). Pre-approval by the applicant's college is necessary.
