

The Department of Entrepreneurship

Entrepreneurship Certificate

This program is offered in partnership with Villanova's Institute for Innovation and Entrepreneurship and prepares students to expand their knowledge, develop their skills, and convert their ideas into tangible products and organizations that can positively impact society and promote the common good. A bachelor's degree is not required for acceptance into the program, but credits fully apply toward CPS degree programs.

Consisting of 3 required courses (9 credits) and 1 elective (3 credits) for a total of 4 courses (12 credits), students have the ability to tailor their elective course to their individual career and/or personal goals.

Required Courses

The three courses below (9 total credits) are required.

Course	Title	Credits
ENTR 1000	The Basics of Entrepreneurship	3
ENTR 5000	Entrepreneurship Capstone	3
ODM 2050	Innovation & Creative Thinking	3

Electives

One approved Entrepreneurship elective (3 credit) course required.
