

VSTA 1020: Immigrant Accompaniment Capstone

VSTA 1020 Module 1: Immigrant Accompaniment Capstone The Capstone consists of multifaceted assignments that serve as a marker to measure and reflect upon what you learned during Module 1. These activities combine much of the knowledge, skills, and values that you have learned in Module 1, including, how to successfully work with immigrants, contextualizing the global migration phenomenon, interviewing an immigrant, and drafting professional documents.
