CSC 1052: Algorithms & Data Struc II

Object-oriented design: inheritance, interfaces, polymorphism; problem analysis; recursion; abstract data types; dynamically linked structures; data structures: stacks, queues, lists, collections, trees, maps, priority queues, library collections framework.

Credits: 4.0
Prerequisites:
CSC 1051
CSC 2014
CSC 1051 :C or CSC 2014 :C
Program: Computing Sciences
